6CNE 615 : Heartsaver Peds First Aid CPR AED - Cost: \$10

This course teaches how to manage illness and injuries in a child in the first few minutes until professional help arrives. This course is for those involved in child care that have a duty to respond to a first aid emergency because of job responsibilities or regulatory requirements, such as child care providers, child daycare workers, babysitters, grandparents, foster and adoption parents, pre-school, primary school and secondary school teachers, camp counselors, youth organizations, and coaches for children's sports organizations.

Are you interested in scheduling a CPR and First Aid training at your center or for your group?
